IMEDL2004-InterMARGINS Workshop
Pontresina (July 11-16, 2004)
(Note: All times indicated given in 24-hour format)

Saturday, July 10

- Arrival in Zurich and departure to Pontresina
- Reception and workshop dinner in Pontresina at 19:00. Introduction by the Convenors.

Sunday**, July 11

Excursion 3 (in case of bad weather, keynote presentations)

**Note – Speakers beware. All Monday-Wednesday talks could be a day earlier in the event of bad weather on Sunday

- 07:00 – 07:45 Breakfast
- 08:00 Excursion to the Tasna Ocean-Continent-Transition (walking on the OCT). Arrival at field area between 9:30 to 10:00. Lunch in the field (bread, cheese, meat, fruits, and Swiss chocolate)
- Arrival in Pontresina at 18:30
- Joint dinner 19:00
Monday, July 12

Presentations all day (*lunch to be organized*)

- **07:00 – 07:45** Breakfast

- **08:00 – 10:00** Geology of the Iberia/Newfoundland margin
  - 08:00-08:45 Gianreto Manatschal
  - 08:50-09:00 Mini thematic presentations (One overhead / one idea / max two minutes)
  - 09:00-09:45 Brian Tucholke
  - 08:50-09:00 Mini thematic presentations

- **10:00 – 10:30** Cafe break

- **10:30 – 12:30** Geophysics of the Iberia/Newfoundland margin
  - 10:30-11:15 Dale Sawyer
  - 11:20-11:30 Mini thematic presentations
  - 11:30-12:20 John Hopper
  - 12:20-12:30 Mini thematic presentations

- **12:30 – 13:30** Lunch

- **13:30 – 15:30** Dynamic modeling of extension systems
  - 13:30-14:15 Ritske Huismans
  - 14:20-14:30 Mini thematic presentations
  - 14:30-15:15 Louis Moresi
  - 15:20-15:30 Mini thematic presentations

- **15:30 – 16:00** Cafe break (set up posters)

- **16:00 – 18:00** Kinematic and inversion modeling of extension systems
  - 16:00-16:45 Stuart Egan
  - 16:50-17:00 Mini thematic presentations
  - 17:00-17:45 Nicky White
  - 17:50-18:00 Mini thematic presentations

- **19:00** Dinner (set up posters)

- **20:00 – 23:00** Poster Presentations (Benchmarking presentations and general extensional systems / concepts)
Tuesday, July 13

Morning: presentations
Afternoon: Excursion 1 or 2 (depending on the weather conditions)

- 07:00 – 07:45 Breakfast
- 08:00 – 10:00 **World rifting examples**
  - 08:00-08:45 Renato Matos (Brazil)
  - 08:50-09:00 Mini thematic presentations
  - 09:00-09:45 Brian Taylor (Woodlark)
  - 09:50-10:00 Mini thematic presentations
- 11:00 – 18:00 **Excursion 1: Err-detachment**
- Lunch – Swiss delights at 3000 m on the Err-detachment
- 19:00 Dinner
- 20:30 – 22:30 **World rifting examples (cont.)**
  - 20:30-21:15 Nick Christie-Blick (Basin-and-Range)
  - 21:20-21:30 Mini thematic presentations
  - 21:30-22:15 Barbara John (Basin-and-Range)
  - 22:20 – 22:30 Mini thematic presentations
Wednesday, July 14

All day presentations (*catch up with excursion 3*) (*lunch to be organized*)

- 07:00 – 07:45 Breakfast
- 08:00 – 10:00 **World rifting examples (cont.)**
  - 08:00-08:45 Nick Direen (Australia)
  - 08:50-09:00 Mini thematic presentations
  - 09:00-09:45 James Cochran (Red Sea)
  - 09:50-10:00 Mini thematic presentations
- 10:00 – 10:30 Cafe break and posters
- 10:30 – 11:30 **World rifting examples (cont.)**
  - 10:30-11:15 Alastair Robertson (onshore Eastern Mediterranean)
  - 11:20-11:30 Mini thematic presentations
- 11:30 – 12:30 **Field testing models of extension: Fault propagation & interaction**
  - 11:30-12:15 Patience Cowie
  - 12:20-12:30 Mini thematic presentations
- 12:30 – 13:30 Lunch
- 13:30 – 15:30 **Benchmark experiment presentations**
  - 13:30-14:00 Nick Kusznir
  - 14:00-14:30 Dennis Harry
  - 14:30-15:00 Stuart Egan
  - 15:00-15:30 Luc Lavier
- 15:30 – 16:00 Cafe break and posters
- 16:00 – 18:00 **Benchmark experiment presentations (cont.)**
  - 16:00-16:30 Ritske Huismans
  - 16:30-17:00 Scott Dysterhuis
  - 17:00-17:30 Evgene Burov
  - 17:30-18:00 Nicky White
- 19:00 Dinner
- 20:30 – 22:00 **Benchmark experiment presentations (cont.)**
  - 20:30-21:00 Susanne Buiter (GeoMod2004 conference report)
  - 21:00-21:30 Marta Perez-Gussinye
  - 21:30-22:00 Louis Moresi
Thursday, July 15

Presentations all day *(lunch to be organized)*

- 07:00 – 07:45 Breakfast
- 08:00 – 10:00 sessions **Mini presentations** *(10 mins, 2-3 overheads maximum)*
  
  12 presentations
- 10:00 – 10:30 Cafe break and posters
- 10:30 – 12:30 **Discussion: Critical observations for constraining models**
- 12:30 – 13:30 Lunch
- 13:30 – 14:30 **Discussion: Critical observations for constraining models (cont.)**
- 14:30 – 15:30 **Discussion: Successes and failures of modeling schemes**
- 15:30 – 16:00 Cafe break
- 16:00 – 18:00 **Discussion: Successes and failures of modeling schemes (cont.)**
- 19:00 Dinner
- 20:30 – 22:30 General discussion: **What happens next? (cont.)**
Friday, July 16

Morning: excursion 2 or 1
Afternoon: first group drives to Zürich (Europeans) after excursion. Non-Europeans overnight in Pontresina

- 06:30 – 07:15 Breakfast

- 07:30 – 12:00 (latest) **Field trip: Basin geometry and stratigraphic record in the proximal margin (Il Motto, Ötler-nappe)**

- Lunch (in the field)

- Travel to Zürich airport (UK and European attendees) for arrival at approx. 16:00.

- 19:00 Dinner (all other attendees)
Saturday, July 17

Second group (non-Europeans) transfer to Zürich

- Breakfast (on the way to Zürich). Arrival time at Zürich airport is approx. 10:30.
