MARGINS Mini-lessons workshop logistics

Workshop dates: Thursday 28th May – Friday 29th May 2009.
Workshop location: Ground floor seminar room, Comer Geochemistry building, Lamont-Doherty Earth Observatory.
Workshop program: http://serc.carleton.edu/margins/workshop09/program.html

Meals

We’ll provide a continental-style breakfast (fruit, muffins, coffee, juice) starting around 08:00 am in the meeting room on Thursday and Friday. Tasty boxed lunches (sandwich, fruit, juices) will be available on both days. A group dinner will be held on Thursday 28th May, at Il Fresco next to the hotel. For those arriving on Wednesday evening, there are a few restaurants within easy walking distance of the hotel, including Cassie’s, Thai Garden, Fiesta Mexico, Il Fresco.

Please tell us by Wednesday 20th May if you have special dietary requirements.

Transport

Newark airport to hotel: For people whose flights arrive at similar times we will contact you in groups to organise carpools with rental cars.

Hotel to Lamont: There should be enough rental cars to ferry all people to Lamont. Cars can be parked in any open spaces in the two large car parks near the Comer Geochemistry building. At the guardhouse, tell the guard that you are here for the MARGINS mini-lessons workshop.

New York City to Lamont: For those coming up from the city, a free shuttle bus runs hourly from Columbia University on the Upper West Side direct to Lamont. Details are here: http://www-admin.ldeo.columbia.edu/acs/shuttle.htm

Computers: Bring your laptops!

Folders with workshop information (agenda, group assignments, name tag, mini-lessons list, maps, etc.) will be waiting for you when you check in at the hotel.

Please contact the MARGINS Office (margins@nsf-margins.org) if you have questions about any aspect of the workshop.

See you soon!

Andrew
